Allergen list

Dine in/ Takeout/ Dessert / Tea-Coffee/ Wines

Important Info

Please note that due to the nature of cooking and high risk of cross contamination, we cannot guarantee any dish to be completely allergen free

This document is only for reference. If you have an intolerance or allergy, we strongly advise you to inform us about your dietary requirement so that adequate care can be taken while preparing the dish.

Information regarding allergies, intolerance and dietary requirement left in comment section while ordering online can sometimes go unnoticed. We strongly requests you to call the restaurant before placing the order & we will be glad to assist.
